

ARC Centre of Excellence for Children and Families Over the Life Course PhD Scholarship - Play Active Program

Are you
interested in

interventions that promote
physical activity amongst
children in early childhood
learning settings?

Join the Play Active team in making a difference
by helping create active, happy, healthy futures for hundreds of
thousands of children across Australia!

Play Active is part of the Australian Research Council Centre of Excellence for Children and Families over the Life Course (the Life Course Centre). The Centre's UWA node has a PhD scholarship and top-up scholarship available, which will focus on the national roll-out of Play Active to ensure it meets the needs of all early childhood education and care services, children, and families, particularly those experiencing disadvantage.

If this sounds like the PhD project for you, express your interest via email to Kate.Erceg@telethonkids.org.au!
